CLOSE TO OUR HEARTS

Christmas Outreach for the underprivileged children in the local villages

During our journey, many churches gave comfort and refuge when we had no place to lay our heads and close our eyes. It is Cam Ranh Orphans desire to lend a hand to these churches' outreach programs to reach the local impoverished children. Your donation enables these churches to purchase gifts during Christmas time for families and to experience God's love.

Ha Xuan Nguyen Scholarship for underprivileged students from grades 1-12

Named in honor of our "father" who loved all his children, this scholarship provides yearly stipend for books, food, and clothing so the children will have an opportunity to attend school. Without your support these children would not have an opportunity to attend class due to the financial burden on their families. **For just \$10 a month, your donation of \$120 would support one student for the entire school year.**

Ha Xuan Nguyen Scholarship

Cambodian School Project our latest ministry

Thousands of Vietnamese children grow up in the coastal towns of Cambodia with no future. They have no status—not citizens of Cambodia and no longer accepted as citizens of Vietnam. Because they are poor they have no opportunity for education or chance to better themselves in life. Through the generous gifts of Co Xuan and a number of Cam Ranh orphan families, a piece of land has been bought and a school building is under construction.

The Cam Ranh Orphans foundation desires to support this school to help hundreds of children to learn to read, write, and do math. With our resources, pooled with others and coupled with faith, God can multiply, and lost Vietnamese children will have a hope and a future. (Jeremiah 29:11)
